WorkFit-D is a height-adjustable standing desk that's both rugged and easy to use. Stand up or sit down as you work. Patented CF™ technology allows instantaneous, non-motorized re-positioning. The integrated brake secures table height to provide an ultra-stable desktop

ERGOTRON® LearnFit Sit-stand Desk - Mobile Student Desk

NEW

Transform classrooms into active learning environments. Studies show that introducing low-level physical activity into the classroom has a positive impact on student health, classroom engagement and academic performance

- Encourage healthy student behaviour that leads to physical and academic improvements
- Looking sharply down at a digital learning device puts excessive pressure on the neck. Precision Height™ Technology allows students to simply adjust the height of the desktop for easier viewing and to help reduce neck strain
- Using the hand lever, each student intuitively raises and lowers the desktop to suit their own natural body needs
- Mobile, locking casters - easily roll the LearnFit desks to quickly reconfigure classrooms
- Tablet slot, water bottle holder and backpack hook included
- Super-durable work-surface construction stands up to demanding classroom conditions
- Height-adjustment range is designed for student ages 12 through adult when using standard classroom chairs for sitting
- For primary school students ages 6 and above, this LearnFit is an ideal adjustable standing desk (match it with a taller stool to enable occasional sitting)
- Assembles in less than a minute; no tools needed
- Suitability:
 - Standing Desk: Fits age 6 to adult
 - Sit-Stand: Fits age 12 to adult
- Dimensions:
 - Worksurface: 610w x 560d mm
 - Base Footprint: 610w x 560d mm
- Worksurface Height: 737 - 1140mm
- Weight Capacity: 7kg
- **10 Year Warranty**
