### WHY BUY GENUINE LAMPS?

When you buy an Epson projector, you're buying the very best in projection technology from the number one manufacturer in the world. Epson ensure that each and every part of every projector is developed to the same high standard, and that's why they have been number one for over a decade. Epson genuine lamps are a part of that technology. If you buy genuine, you're buying the promise that you're getting the best possible lamp for your Epson projector.

With genuine lamps, you can enjoy superior picture quality, value for money and lamp life and protect your warranty.
